Prompt

A photorealistic three quarter view image of a chubby African lady sitting comfortably on a soft, round, portable plush green couch, placed on an isolated clean background (white or light neutral). She is smiling warmly with genuine emotion, looking at her smartphone in her right hand, giving a natural and relatable expression of happiness and satisfaction. Her left hand rests softly on her lap in a relaxed pose. Her hair is neatly packed in a simple, elegant style, showing tidiness and care. She wears a nice, subtle necklace that adds a touch of sophistication without being flashy. Her outfit is modest yet stylish — a well-fitted dress in a solid, calm colour (like navy blue, soft beige, or warm brown), complementing the couch while keeping the look polished. The lighting should be bright and natural, highlighting her glowing brown skin tone and emphasizing the authenticity of her joyful smile. The overall mood should be welcoming, warm, and trustworthy, aligning perfectly with a promotional copy for booking services. The couch should look soft and inviting, while the background remains clean and isolated to keep the focus entirely on the lady and her emotion. The visual should radiate relatability, trust, and positivity — making the viewer feel at ease and encouraged to “Book Now & Save.”
